

# Huawei - Mate 30 Pro 5G Specifications

## Design Structure

|            |                                                                         |
|------------|-------------------------------------------------------------------------|
| Dimensions | 160.8 x 76.1 x 8.4mm                                                    |
| Weight     | 198                                                                     |
| Thickness  | Thickness                                                               |
| Colors     | Black, Space Silver, Cosmic Purple, Emerald Green, Orange, Forest Green |

## Software

|                  |         |
|------------------|---------|
| Operating System |         |
| User Interface   | EMUI 10 |
| OS Comments      |         |

## Network

|          |                                                                                                                                                                                                             |
|----------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Sim Type | Hybrid Dual-SIM, Dual Standby, (Nano-SIM)                                                                                                                                                                   |
| 2G Band  |                                                                                                                                                                                                             |
| 3G Band  | HSDPA 850 / 900 / 1900 / 2100                                                                                                                                                                               |
| 4G Band  | LTE band 1(2100), 2(1900), 3(1800), 4(1700/2100), 5(850), 6(900), 7(2600), 8(900), 9(1800), 12(700), 17(700), 18(800), 19(800), 20(800), 26(850), 28(700), 32(1500), 34(2000), 38(2600), 39(1900), 40(2300) |
| 5G Band  | (Unspecified)                                                                                                                                                                                               |

## Processor

|           |                                                                                                                                                                                                             |
|-----------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Model     | Hybrid Dual-SIM, Dual Standby, (Nano-SIM)                                                                                                                                                                   |
| CPU       | Octa-core (2 x 2.86 GHz Cortex-A76 + 2 x 2.36 GHz Cortex-A76 + 4 x 1.95 GHz Cortex-A55)                                                                                                                     |
| Type      | HSDPA 850 / 900 / 1900 / 2100                                                                                                                                                                               |
| Nanometer | LTE band 1(2100), 2(1900), 3(1800), 4(1700/2100), 5(850), 6(900), 7(2600), 8(900), 9(1800), 12(700), 17(700), 18(800), 19(800), 20(800), 26(850), 28(700), 32(1500), 34(2000), 38(2600), 39(1900), 40(2300) |

|           |               |
|-----------|---------------|
| GPU       | Mali-G76 MP16 |
| Frequency | (Unspecified) |

Graphics

|     |               |
|-----|---------------|
| GPU | Mali-G76 MP16 |
|-----|---------------|

Storage

|                      |                                                                 |
|----------------------|-----------------------------------------------------------------|
| Ram                  | 8GB,                                                            |
| Ram Type             |                                                                 |
| Memory               | 128/256GB                                                       |
| Memory Type          | UFS3.0                                                          |
| Memory Card Slot     | Nano Memory Card, (supports up to 256GB) (uses shared SIM slot) |
| Memory Card Capacity | (Unspecified)                                                   |
